Health Certificate No:

II. CERTIFICATION

The undersigned Authorized Official certifies that the product(s) described above satisfies the following requirement:

1. The product does not contain any bovine derived material (other than dairy ingredients, gelatine and/or collagen derived from hides and skins).
2. The final product has been retorted, and during the retorting process, the product was heated to a minimum core temperature of 100°C, obtaining an F0 value of at least 2.8.
3. The product does not contain any ovine or caprine derived material (other than dairy ingredients).

OR

The ovine and caprine material (other than dairy ingredients) does not include offal (and protein products derived from offal) from animals over 12 months of age which originated from countries or zones not considered free from scrapie.

4. The final product is imported in the hermetically sealed (airtight) container in which it was retorted. The hermetically sealed container is stamped or embossed with a permanent mark with:
 - 4.1 the identification number of the manufacturing establishment:
 - 4.2 the batch code.....
5. The goods are not bird's nest.
6. The goods do not contain discernible pieces of egg.
